

## VISIT THE GENIUS CASTIGLIONI'S STUDIO

Milan

*Discover more about Milanese architect Achille Castiglioni in a private visit to his Studio.*

Undisputed Master of Italian Design, winner of numerous Compassi d'Oro awards, the Milanese architect Achille Castiglioni is perhaps the best-known and most-loved designer in the international arena due to the success of his timeless products. Come to Milan and stay at Baglioni Hotel Carlton, an exclusive location in the heart of Milan's fashion district: immerse yourself in the world of Achille Castiglioni in a visit, reserved for you alone, to the Achille Castiglioni Foundation, in the designer's historic Studio. Everything here is frozen and suspended in time: Achille's notes, books and sketches. His private studio is brimful of the memories that emanate from every object. It will be the architect's own daughter, Giovanna Castiglioni, who will guide you step-by-step during your visit. It is actually she who today continues her father's business, and offers the opportunity to experience, in this unique and exclusive manner, a genuine "Design Experience". To finish, this visit back in time will conclude with the enjoyment of delectable refreshments within Castiglioni's studio, on tableware accessories designed by the Milanese architect.

### THE EXPERIENCE INCLUDES:
